NARRATIVE

About 8:30 A.M. on Monday, July 7, 2025, Officer Kerrigan, while assigned to the Teamsters 25 / Republic Waste Strike, took a vandalism report located at 64 Norfolk Ave, Roxbury.

While on-scene of the ongoing strike at the Republic Services facility, the B910 (Sgt. Onishuk) was informed by Area Security Manager, Jeff Swagger, that one of the protesters damaged two of the trucks.

Officer Kerrigan was informed that Truck 1224, operated by Richard Morales, had the cap ripped off the DEF tank and a cigar was placed inside of the tank. Members of Republic Services tried to remove the cigar but were not able to and it was now in the diesel tank.

Officer Kerrigan was also informed that the same female attempted to tamper with the batteries and air controls, located on the passenger side of Truck 3201, which was operated by Pete Caldwell.

The B910 (Sgt. Onishuk) was able to speak to the female about the allegations and the female identified herself to Officer Kerrigan as Jennifer Ouderkirk.

INSTRUCTIONS TO PICKETERS

As a Teamster member, you are being asked to help publicize a labor dispute for the Teamsters Union by picketing at area locations. Your cooperation is essential to make this program a success. Please read these instructions and follow them carefully.

1. You are to conduct yourself in a responsible, professional, and peaceful manner at all times. You are forbidden to engage in any altercation, argument, vandalism, or misconduct of any kind. Do not use boisterous or indecent language. The success of this strike depends on impressing management and the public with the legitimacy and righteousness of our cause.
2. You are to picket on the sidewalk or on a public way. If you have any questions about where to walk while you picket, please ask the person in charge before you start.
3. Do not in any way obstruct any entrances or exits to any place of business or parking lot.
4. You are not to interfere with the work of any employees. If you are asked by these employees what the picketing is about, you are to tell them to speak to the Line Captain.
5. You are forbidden to use intoxicating beverages, illegal drug or any other illegal substance while on duty or to have such beverages, drugs, or substances on your person.
6. If any manager or official or any other private party should complain to you about the picketing, advise them that their complaints should be directed to the Line Captain. You may give a copy of these instructions to any person who requests them, or to any person who insists upon questioning you. Refer all questioners to the handbill, if one is being distributed. If they want additional information, tell them to talk to the person in charge - the Line Captain.
7. Obtain the name, badge number and affiliation of any police or law enforcement officer who approaches you. If any such officer complains about your activity or asks you to move or to stop, first explain to him, in a courteous manner, that you have a right to picket on public property. If the officer still asks you to move or stop, ask him to contact the Line Captain. If the officer refuses this request or insists that you follow his instruction, do so and report the incident to the Line Captain. If a Police Officer touches, you for any reason you should offer no resistance.
8. Pickets should keep moving and not block traffic.
